OGC HAS REVIEWED.

1. Subject was formerly employed by the Foreign Service, Department of State. He is retired on an annuity of approximately \$8,100 per annum. On 1 October 1952, he was employed by this Agency as a Consultant at a fee of \$50.00 per day of service. The contract states that he is a retired civilian employee of the United States. The contract was renewed for Fiscal Year 1954-55.

25X1

2. has been paid for a total of six days of service under this contract. However, no adjustment was made in his salary since we are not certain that the nature of his employment and retirement compensation are such as to be considered for adjustment under dual compensation laws.

3. We will appreciate your advice as to whether it is legally proper for to receive compensation under his contract with this Agency without regard to the fact that he is an annuitant under the Foreign Service Act.
